

STATIONÆRY

PRIVATE EVENT OFFERINGS

2024

WELL, HELLO...

Stationæry is a neighborhood restaurant in Carmel-by-the-Sea, California. We celebrate comforting flavors with elegant presentation. We both grew up in Monterey County, and each day strive to create an experience that allows local ingredients to shine.

Our small restaurant is tucked away in the San Carlos Square, on an alley accessible from Mission and San Carlos Streets. It is charming, cozy, and feels like the reward at end of a treasure hunt.

We look forward to hosting you for a special event very soon!

Our best,
Alissa & Anthony
